A feedback was collected from the Faculty members based on the curriculum and College Administration and Infrastructural development, most of teachers rated good to Excellent. When the rating where it talks about the skill development curriculum need to be improve. More number of toilets are needed for teaching, non teaching staff and students. The building and furniture are needed to be well maintained. Safe drinking water must be always available and Regular meeting of the teaching and non teaching staff should be held for the smooth and effective functioning of the college.

There were few suggestions:

- Need to maintain clean toilets
- More classrooms required, more unit test and pre exams should be conducted before University exam to improve results
- Institute should avail adequate drinking Water facility as early as possible.
- Vehicle Parking Shade is required in our college premises.
- The teaching aids must be updated, class room furniture should be increase in numbers and should be well maintained,
- Numbers of sports and sporting aids should be increased as per student's needs.
- Every department should get personal computer and printer.
- Providing digital learning management system. Increase the furniture for classrooms.
- Increase the number of reference books.
