Parent's Feedback Analysis Report

Session: 2024-25

The institute established with a mission to provide world class higher education to the youth of the region. To achieve the goals of the institute, parents play an important role. Through their feedback about the institution's existing infrastructure, teaching learning process and other facilities, they help the institution for overall development and quality enhancement. Parents feedback allows the institution to evaluate its existing services and thus cater to providing better service towards the students.

The institute always puts an effort to increase the involvement of parents in the quality assurance of excellent education, and the feedback analysis process provides a platform for the same. Parents involvement necessitates that they play a functioning job in taking an interest for the comprehensive improvement of their wards.

Objectives of the parent's feedback:

1. To involve parents in various activities and initiatives for the overall development of students and for the quality improvement of the institution.
2. To include parent's suggestion to prepare institutes short term strategic plans.
3. To evaluate and improve the ongoing teaching learning process of the institution.

The feedback forms for the session 2024-25 were distributed, filled and collected during the parents-teachers meet on 5th April, 2025, in the seminar hall of the Mahavidyalaya.

Total 17 parents actively participated in the meeting. Discussion was carried out on topics related to student's development and institutions quality enhancement.

Design of the Feedback form for the session 2024-25:

The feedback form is focused on the issues like admission process, learning environment, academic progress, infrastructure and library facilities, learning experiences, curriculum design with respect to employability and faculty/employees' cooperation etc. Total 14 Questions/Statements were asked to be responded by the parents to evaluate the above-mentioned areas. The Questions/Statements were provided to rate by the parents on a five-point scale from strongly agree to strongly disagree.

Besides this, the suggestions from the parents were also requested for the overall development of students and to improve/introduce various facilities and for the innovation/improvement in participative teaching and learning process.
