A feedback was collected from the student's shows most of the students are satisfied with the teaching learning process of the institute but there is lot of scope to improve teaching learning process by using different teaching aids and models especially for non-practical subjects of the institute. Feedback based on the curriculum, Mostly Students are not satisfied with the Content of course and relevance of the units, motivating the students for research and developments, Curriculum is relevant for the solution of local problems, Size of the syllabus and career orientation of syllabus. Syllabus is designed and applied by the university. Syllabus of new education policy was new to the students they may suffer some difficulties to understand the opportunities in the syllabus. There are needs to improve infrastructural facilities and building furniture need to be well maintained.

**Students Suggestion to improve teaching–learning experience and College facilities Infrastructure of the institution.**

- Use teaching aids to engage students.
- Improve library facilities
- Need to have clean toilet for students

**Some students appreciate teaching learning in the comments as**

- Teaching Learning experience is good
- Teachers are good and helpful.
- College Facilities are good

This brief report on teacher's feedback is now forwarding to the IQAC for further progress in the fulfillment of the requirements and also to take necessary action on suggestions.
