One Day tour to VNIT and Raman Science Centre, Nagpur

One-day tour was organised by the Dept. of Chemistry in coordination with Dept. of Physics of Gramgeeta Mahavidyalaya, Chimur on dated 16.01.2020 to The Visvesvaraya National Institute of Technology (VNIT), Nagpur and Raman Science Centre, Nagpur under the guidance of Prof. Humeshwar Anande, Prof. Samir Bhelave and Prof. Varada Khati along with LA Mr. Giridhar Dekhate. Total 90 nos. of students were visited the institute. The visiting team started from college at 7.00 am and reached the institute at 9.30am and complete the formalities at VNIT gate. After that students visited the Department of Physics along with HOD Dr. Gedam Sir. He showed the entire department and acknowledge the students with various activities performing in the department. He allows to visit the various lab like Solar Cell, Ceramic Glass, Theoretical Physics, Material Science, Thin film etc. Then students visited the laboratories like Inorganic Chemistry, Organic Chemistry, Analytical Chemistry, Physical Chemistry, Computational Chemistry and Synthesis and Characterization Laboratory of Department of Chemistry. Students asked several questions and cleared their doubts and interacted with them nicely. The visit was very beneficial and interesting for the students as they got an opportunity to interact with faculties of VNIT during their visit.

In the afternoon at around 3.00 pm the team visited to Raman Science Centre Nagpur. In the Raman science centre team got a chance to visit National Level Science Exhibition "SCIENCE EXPO 2019". There was an innovative and informative projects of science presented and displayed coming from all over the India, which was very helpful for our students to increase their scientific thinking ability. After that team visited and seen the 3D Animation shows,
