**Activities:**

Minority cell has conducted the programmes during the academic session 2025-26:

1. Celebration of the birth anniversary of 'Rajarshi Chhatrapati Shahu Maharaj' as "Social Justice Day" on 26th June 2026 to commemorate his contribution to the development of backward class and women's education.
2. Mahatma Phule Jayanti Celebration on 11th April 2026.

The Minority Cell compiled reports and directives from the State Government and the UGC regarding education and employment opportunities for minority students. Information concerning various State and UGC scholarship programs was widely circulated. Furthermore, the Cell actively communicated with students to motivate them toward better future planning and encouraged them to apply for State and Central Government scholarships. As a direct result of these outreach efforts, 14 students from minority communities successfully applied for State Government minority scholarships.
